**Recycling services impacted by rainy weather**

LĪHU'E – Due to muddy conditions, recycling services at several refuse transfer stations have been suspended today.

The following closures are currently in effect:

- Hanapēpē transfer station: Green waste; scrap metal; white goods; and tires.
- Kapa'a transfer station: Green waste; recyclables at the upper level may be walked in, but conditions are muddy.
- Hanalei transfer station: Green waste will be open until the first bin is filled, however, it cannot be hauled out because Heart and Soul is closed today. Therefore, green waste will be closed this afternoon.

For updates, please call Nick Lum at 212-4683.
